

CAPTAIN DANCE

INFO DEUTSCH

Es ist wieder 1995. In den Charts rotieren La Bouche, Captain Jack, Britney Spears und die Backstreet Boys. Du hörst den Soundtrack deiner Jugend. Ein knallbuntes Jahrzehnt voller Lebensfreude. Auf der Bühne steht eine Liveband - Captain Dance erwecken die 90er wieder zum Leben, mit echter Leidenschaft und echten Instrumenten. Das kann man nicht beschreiben, das muss man gesehen haben.

Captain Dance – Reporting for party!

Captain Dance – das sind Mr. Boom & Coco Dynamite (Vocals), Fab 5 (Keys), ChrisTwo (Bass) und Triple P (Drums). Aufgewachsen in den 90ern, ausgebildet an der Popakademie in Enschede, und mit einer Mission: den Vibe der 90er zurückzubringen. Hip-Hop, Eurodance, Dancefloor, Pop, Reggae – kein Problem für die Fünf, die die 90er in der DNA haben.

Seit 2012 auf verschiedensten Events in Deutschland, Österreich, der Schweiz, Tschechien und den Niederlanden unterwegs, wurde bislang jeder 90er-Fan noch im Mark erschüttert, wenn plötzlich Perlen wie Freed From Desire oder Coco Jamboo erklangen. Die ganz großen Banger wie Mr. Vain, What Is Love oder Barbie Girl sind natürlich auch dabei, ebenso wie die Hits der Girlgroups und Boygroups. Die 90er sind ein Erlebnis, ein Lebensgefühl. Captain Dance, die 90er Liveband, bringt es mit voller Überzeugung auf die Bühne.

Wie Lane McCray von La Bouche sagt: „The best 90's cover band I've ever heard!“

INFO ENGLISH

Captain Dance is the 90s live-band you want to hear, see and dance with! Expect hits from The Vengaboys, Spice Girls and the Backstreet Boys to come alive again. From Barbie Girl to the Macarena, from Freestyler to Mr. Vain. Songs we all - sometimes secretly ;) - know by heart.

The 5 bandmembers pay tribute to probably the most diverse decade of music. With lots of interaction and full of raw energy. From Eurodance madness to boyband hits. You've never heard the soundtrack of your young days like this before.

Captain Dance - Reporting for party!

The story so far

Captain Dance - the 90s live-band – has been around since 2012. Playing festivals, city events, company shows, weddings and private gigs. They've been making their way throughout the whole of Germany. But they are also booked to perform on stages in The Netherlands, The Czech Republic, Switzerland and Austria.

Bandmembers Coco Dynamite (female vocals), Fab 5 (keys), ChrisTwo (bass) and Triple P (drums) have been working together since they met at the music academy in Enschede, The Netherlands. In this city they found Mr. Boom (male vocals) to complete their plan to take over Europe with that authentic live 90s sound. And with compliments from real 90s act La Bouche's Lane McCray they are well on their way.

The idea is to bring back the trashy 90s, but with a live band. And that's a new dimension to most of the acts from back in the day. Coco Dynamite and Mr. Boom know how to interact with the audience. While both are singing and rapping, they invite the crowd to sing along and dance to that real 90s feel. Backed by the awesome sound and groove of Fab5, Chris2 and Triple P they take every party to a next level.

90s fun is still very much alive nowadays. The hits were massive hits because everybody still knows to sing along. Even when they weren't a fan back then. For some the 90s are a soundtrack of their young days. But even new generations have rediscovered the party strong sound and unforgettable melodies. What Is Love, Coco Jamboo, Blue (da ba-dee), Can't Touch This, Mr. Boombastic... they immediately

spark a feeling. Britney Spears, *N'SYNC, Dr. Alban, the Spice Girls... they were essential in how we look back at that awesome decade. Now live-band Captain Dance is here to pay tribute to all of them and the music that made the 90s so memorable.
